

Your Chance to Help Your Club

The GWC annual Azalea Sale is held each year in April as the primary fundraiser for the Gardeners of Wake County. This year, preparation work begins on April 9th. Sales to the public start on April 12th and continue through April 22nd. Approximately one hundred varieties of azaleas, in one to three gallon containers will be available, including Encore varieties as well as deciduous azaleas.

Members of the Gardeners of Wake County are needed to volunteer to help at the 2018 Azalea Sale. Proceeds are entirely used to fund yearly scholarship grants for NCSU horticulture majors. The sale continues for two weeks and Club Member volunteers are needed throughout this time. Please click on the links below to view the online signup sheets.
